O-39-10 Harbor Line at Severn House Condominium

Mr. John Patmore, 755 Fairview Ave, spoke in favor of the legislation

- **Alderman Kirby moved to recommend O-39-10. Seconded. CARRIED on voice vote.**
- **Alderman Kirby moved to approve the minutes of 12.16.2010. Seconded. CARRIED on voice vote.**

Mr. Biba spoke about the new TMDL level guidelines for the Chesapeake Bay.

Mr. Biba discussed the State of Maryland's plan to meet these guidelines and how that will affect the City of Annapolis.

Annapolis is Phase II urban area. 50% of city is impervious. 20% of that will have to be managed for Stormwater runoff. The committee discussed the use of street sweepers to reduce sediment.

Alderman Kirby inquired how this will effect potential new development on Forest Drive. Mr. Biba stated that they would have to comply with stringent state standards.

Mr. Biba stated that Anne Arundel County has drafted a county Watershed Implementation Plan.

The committee discussed funding storm water improvements.

Upon motion duly made, seconded and adopted, the meeting was adjourned at 5:45 p.m.
